BAKES AND BLISS

One winter day, Anna and Ben
built a snowman.

They gave him a carrot nose,
a hat, and a scarf.

"What should we call him?" Anna asked.

"Let's call him Frosty!" said Ben.

That night, the snowman came to life!
"Hello, Anna and Ben!" Frosty said.

Anna and Ben were so surprised.

"Let's play!" Frosty said
They played in the snow, made
snowballs, and laughed all night

When the sun came up, Frosty said,
"I have to go now, but I'll be back when it snows again!"

Good Bye!

"Goodbye, Frosty!"
Anna and Ben said.
